MEDIA BENCH

A media bench is located on the south side (home end) of arena. The bench offers wireless internet and electric outlets. There is a media workroom located on the east side of the lower concourse.

INTERVIEW REGULATIONS/PROCEDURES

You will be required to fill out interview request forms, which will be available on the media bench. The forms will be gathered as the draw progresses and will be handed to requested players at the completion of their games.

All post-game media interviews will be conducted in a scrum format at ice level in a designated space adjacent to the media bench. All players have been instructed to exit through this area on their way to the dressing rooms. Every effort will be made to escort players to the specified area as quickly as possible after each draw.

DRAW STATISTICS

A statistical report will be produced and limited copies distributed to the media shortly (about 15 minutes) after the conclusion of each draw. Live scores and stats can be viewed online at the Curling Canada website (www.curling.ca).

If you would like to receive the Draw Stats media report by email, please contact Al Cameron (media@curling.ca or 403-463-5500)

TV NON-RIGHTS HOLDERS

TSN is sole TV rights-holder for this event. However, in order to provide other stations and/or networks with an opportunity to get brief game/highlight footage, broadcast media may **air two minutes of game footage daily**. This footage includes recorded highlights of non-broadcasted games captured in-house and TSN footage (with attribution to TSN).

TV non-rights holders may use as much post-game media scrum footage as they wish.

No live hits, stand-ups or recording of non-broadcast games will be allowed to occur inside the venue.

CURLING CANADA PHOTOGRAPHY GUIDELINES

All photographers must be identified with a BLUE credential. You must also wear black/dark colour clothing and shoes.

In general, you are allowed to shoot from positions between the hoglines (starting about two metres from each hogline) on the carpeted areas separating the game sheets; in the corners of the arena; or behind the hack signs/scoreboards, provided you are not obscuring the vision of the spectators, blocking the scoreboard or in the way of the players.

Before entering the ice surface, please ensure that you have used the shoe cleaner, located near the home-end entrance, to remove dust, dirt and other particles from your shoes.

You are not allowed on the ice surface at any time.

Also:

- Flashes are not allowed.
- If you are carrying a mobile device, turn it to silent before entering the ice surface.
- No video can be shot from inside the boards.
- Please photograph from a sitting or squatting position; not standing or kneeling. Please shift your position at appropriate intervals to not consistently block the view of the same spectators.
- When moving along the walkway, ensure that no player is in the process of delivering a rock. If the curler is delivering, please wait until the deliver is complete before crossing the carpet at the end of the sheet.
- When a player is about to deliver a stone, you must be behind the hack signs/scoreboards, or situated between the hoglines.
- For playoff games, special instructions will be issued for photo locations in conjunction with the location of TSN's cameras. In general, though, you should avoid being in the TSN shot at all times.

Thank you for your co-operation.

Failure to adhere to these regulations could result in the forfeiture of your photography credential.

1. Remove the delivered stone from play and replace all stones that were displaced to their positions prior to the violation taking place, or;
2. leave all stones where they came to rest.

GAME DURATION: Teams must play a minimum of eight ends during a round-robin game or qualifier game before conceding.

Page playoff games are a minimum of nine ends.

PREGAME PRACTICE & LAST STONE DRAW:

The full set of Last Stone Draw regulations can be found here: <https://www.curling.ca/team-canada/hp-athletes/policies-guidelines/last-stone-draw-process/>

Teams will name the players delivering the last stone draws, including which turns, before the start of the first team practice. Failure to do so will result in an assigned distance of 399.20 cm.

Coaches may NOT deliver stones during the pregame practice.

Speed traps are NOT allowed during the pregame practice.

Teams listed on the top/first in the draw will practice first and are assigned dark-handled stones. The team throwing the light-handled stones (bottom/second in the draw) will have the same period of practice time starting immediately following the dark-handled stone draws for last stone advantage.

Each team will receive nine minutes of pregame practice time.

First practice commences 30 minutes prior to the posted draw time.

Last stone advantage will be determined by the Last Stone Draws before each round-robin game.

Following each team's pregame practice, two different players from the team each throw a stone. The first player will deliver the clockwise rotation, while the second player will deliver the counter-clockwise rotation.

During Pool play, each player on each team will deliver a minimum of three (3) stones, minimum of one (1) clockwise and one (1) counter-clockwise rotation. The Last Stone Draws can be delivered at any time during the round robin, but not during the same game.

GAME TIMING: Thinking time will be used for this event. Each team receives 38 minutes to complete a ten-end game. Extra ends will be four minutes and 30 seconds (4:30) of thinking time for each team. A team's clock begins:

- Once the opposing team has completed their shot, all rocks have come to rest and moved behind the back line; AND
- the opposing team's sweepers have moved to the side of the sheet; AND
- the opposition in charge of the house has relinquished control of the house; AND
- the person in charge of the house (the delivering team) has taken control of the house.

A team's game clock stops once the stone has reached the nearest tee-line at the delivery end.

TIMEOUTS:

Each team is allotted one, 60-second timeout, plus travel time. The timeout must be signaled to the umpire and time clock operator. Either a coach OR alternate may attend the timeout, but not both.

The team that did not call the timeout may meet with their coach/alternate positioned behind the scoreboard.

Breaks between ends one through five and six through 10 are 90 seconds. Teams may meet with their coach/alternate between these ends, however the coach/alternate must stay behind the scoreboard.

The fifth-end break will be five minutes.

There will be a one-minute break prior to an extra end. Both teams will receive one 90-second timeout to play in any extra end during that game.

**PLAYOFFS -
TEAM RANKING:**

The following criteria, in order, is used to rank teams one (1) through three (3) in each pool at the completion of the round robin.

1. Teams are first ranked by their respective win/loss records.
2. If two teams are tied in win/losses, the team that won the round-robin game between them will be ranked higher.
3. If more than two teams are tied, the win/loss records in games between those teams **only** will determine ranking.
4. When steps 1-3 cannot determine ranking, then it will be determined by using the total distance of the accumulated draw shot distance for those tied teams.
5. If teams remain tied using the accumulated distance of the last stone draw, the next largest distance of the tied teams will be dropped until the tie is broken.

The following criteria, in order, is used to rank playoff teams (top three from each pool) one (1) through six (6) in both pools at the completion of the round robin.

1. Two teams in first place in their pools are ranked 1 and 2. Two teams in second place in their pools are ranked 3 and 4. Two teams in third place in their pools are ranked 5 and 6.
2. If two teams have the same win/loss record in their round robin, then lowest cumulative last stone draw is used to rank the teams.

**PLAYOFF GAMES,
STONE SELECTION &
LAST STONE ADVANTAGE:****Last stone first end and colour selection for all playoff games except for the final:**

1. If the higher ranked team has a better win/loss record in the round robin, it will receive both last stone in the first end AND stone colour selection. The higher ranked team will practice first.
2. If the higher ranked team has the same or worse win/loss record in the round robin, the higher ranked team will receive choice of stone colour selection OR second practice and the teams will draw for last stone in the first end.

Last stone first end and colour selection for the final:

1. If the winner of the Page playoff 1v2 game has a better win/loss record in the round robin, it will receive both the last stone in the first and AND stone colour selection. **OTHERWISE,**
2. The team winning the Page playoff 1v2 game is awarded CHOICE of last stone in the first end OR stone colour selection.

Stone selection:

Two (2) games on the draw:

Teams on Sheet A or B may select any eight game stones and one reserve stone of the same colour from Sheets A or B. Stones selected do not have to come from the same sheet, but must be the same colour.

Teams on Sheet C or D may select any eight game stones and one reserve stone of the same colour from Sheets C or D. Stones selected do not have to come from the same sheet, but must be the same colour.

One (1) game on the draw:

Teams may select any eight game stones and one reserve stone of the same colour from any of the sheets. Stones selected do not have to come from the same sheet, but must be the same colour.

**Reserve stones may only be used if one of the eight game stones is damaged and becomes unsuitable for play as confirmed by the Chief Ice Technician.*

SEEDING METHODOLOGY

The Monday following the final playdowns, the final entrants to the women’s and men’s national championships are named. The highest-ranked CTRS team(s) that have not qualified as Team Canada, been pre-qualified or won a respective provincial/territorial playdown will receive an invitation to the national championship.

Teams are then seeded #1 to #18 based on CTRS standings.

POOL A	POOL B

#4	#3
#5	#6
#8	#7
#9	#10
#12	#11
#13	#14
#16	#15
#17	#18

Teams without CTRS points will be ranked by random order in the draw.

Team Canada (Team Gushue) and the host province (Team de Jong) will automatically be placed in one pool, while the two pre-qualified teams (Team McEwen and Team Dunstone) are placed in opposite pool.

If, after all teams are seeded based on CTRS, and the pre-placed teams do not end up in the same pool, the teams will be moved based on the snake-seeding format to ensure those teams are in the same pool as marketed.

When teams are moved in order to match with pre-placement, the lowest-ranked mis-placed teams will be moved.

In 2021 and 2022, the top three non-qualifying teams (CTRS 1, 2, & 3) were invited to compete due to the Covid-19 pandemic and no Wild Card play-in game was held. In 2023, Curling Canada announced it would keep the three pre-qualified teams at the event, retiring the original Wild Card team that competed for a spot at the event during a Wild Card play-in game.

HISTORICAL BRIER TIMELINE

- 1927** After two successful Canadian curling tours designed for the purpose of creating camaraderie between western and eastern curlers, a national men's curling championship is organized and features representation from all regions in Canada.
- MacDonald's tobacco increases its sponsorship from a regional to a national level and the event becomes known as the Brier, which is one of the company's brands of tobacco. The official event title was 'The Dominion Curling Championship for the MacDonald's Brier Tankard'. MacDonald's title partnership runs until 1979, while Brier remains in the event's name to this day.
- The first Brier is held in Toronto at the Granite Club and is won by Team Murray Macneill of Nova Scotia. With no formal qualification process, each region selected teams based on its own criteria and included teams from Toronto and Montreal and one team from western Canada.
- All games were 14 ends, with two extra end games played (Northern Ontario vs. Toronto & Quebec vs. Northern Ontario). These 15-end games are the longest in Brier history.
- 1928** The western Canadian team is dissolved and replaced with entries from Alberta, Saskatchewan and Manitoba.
- Games are reduced to 12 ends.
- For the first time, a tiebreaker for first place is held between Manitoba, Alberta and Toronto. The teams play a two-game round robin with Manitoba's Team Gordon Hudson winning.
- 1929** Gordon Hudson, Ron Singbusch and Bill Grant become the first players to win multiple Brier titles and the first to win back-to-back Briers.
- 1930** Howard Wood Sr., Victor Wood and Lionel Wood of Manitoba become the first siblings to win the Brier.
- 1932** Entries from Toronto and Montreal are dropped, reducing the field to eight teams.
- 1936** The field expands to 10 teams with British Columbia and Prince Edward Island joining the Brier.
- 1940** After hosting the event at Toronto's Granite Club for 12 years, the Brier is held outside of Ontario for the first time. The 1940 event is held in Winnipeg and begins the practice of hosting the event across Canada.
- Howard Wood Sr. and Howard Wood Jr. of Manitoba become the first father/son duo to win the Brier.
- 1943** The Brier is suspended due to World War II.
- 1946** After a three-year hiatus, the Brier resumes in Saskatoon.
- 1949** Ken Watson and Grant Watson of Manitoba become the first players to win three Brier titles.
- 1951** The field expands to 11 teams with Newfoundland joining the Brier.
- 1953** A 52 years, two months and 21 days old, Ab Gowanlock becomes the oldest Brier champion.
- Gowanlock also sets the record for longest period between Brier championships for a player with 15 years.
- 1957** Saskatchewan's Team Garnet Campbell sets the record for most points scored by one team in a game with 30.
- 1958** At 18 years, 10 months and 16 days old, Manitoba's Terry Braunstein becomes the youngest player to skip a team at the Brier.
- 1959** The winner of the Brier moves on to an international competition for the first time. Saskatchewan's Team Ernie Richardson represents Canada at the Scotch Cup, the event that would become the modern day World Men's Curling Championship.
- 1960** Ernie Richardson, Arnold Richardson, Garnet Richardson and Wes Richardson become the first complete team to win back-to-back Briers.
- 1963** Ernie Richardson, Arnold Richardson and Garnet Richardson of Saskatchewan become the first players to win four Brier titles, winning four over the span of five years.
- Ernie Richardson becomes the first skip to win back-to-back Briers on two separate occasions (1959-1960 & 1962-1963).
- 1965** Alberta's Team Nicholas Lashuk sets the record for largest come-from-behind win. Alberta comes back from a nine-point deficit after five ends against Quebec's Bill Tracy to win 16-12.
- 1975** The field expands to 12 teams with Territories (Northwest Territories & Yukon) joining the Brier.
- 1977** Games are reduced to 10 ends.
- 1980** Labatt Brewing Company becomes title sponsor of the Brier in a partnership that runs until 2000.
- A three-team playoff is introduced following the round robin. The first-placed team received a spot in the final, while the second- and third-ranked teams played in a semifinal.
- 1981** At 22 years, three months and 15 days old, Kerry Burtnyk of Manitoba becomes the youngest skip to win the Brier.
- 1991** The 1991 event also determined Canada's men's curling team representative at the 1992 Olympic Winter Games in Albertville, France where curling was a demonstration sport.
- 1993** A record-setting four-way tie for first place after the round robin is set by Ontario's Russ Howard, British Columbia's Rick Folk, Northern Ontario's Rick Lang, and Manitoba's Vic Peters. Ontario's Team Howard wins the event.
- 1994** Rick Folk becomes the first person to win the Brier with two different provinces with wins in 1980 with Saskatchewan and 1994 with British Columbia.

- 1995** The four-team Page playoff format is used at the Brier for the first time.
- 2001** Nokia becomes title sponsor of the Brier. The partnership runs until 2004.
- 2003** Randy Ferbey, David Nedohin, Scott Pfeifer and Marcel Rocque become the first complete team to win three Briers in a row.
- 2005** Randy Ferbey sets the record for most Brier titles won with six. (1988, 1989, 2001, 2002, 2003, 2005)
- Tim Hortons becomes the title sponsor of the Brier.
- 2011** Manitoba lead Steve Gould ties the Ab Gowanlock's record for longest period between Brier championships for a player of 15 years.
- A bronze-medal game is added to the event for the loser of the semifinal and the 3v4 game.
- 2015** The field expands to 15 teams. Separate teams from the territories (Northwest Territories, Nunavut and Yukon) have separate entries and Team Canada (last season's Brier champion) join the event. A pre-qualification event is held prior to the Brier to determine the 12th team in the round robin.
- 2016** A free-agency rule is introduced, allowing each team to have one player living outside of its respective province or territory.
- 2018** Pre-qualification is removed from the Brier and replaced with a 16-team field. All 15 teams are part of the main draw, in addition to a Wild Card team. The top two teams in the Canadian Team Ranking System that did not qualify for its respective province/territory played in the Wild Card game on the Friday night before the event.
- The new format includes two pools of eight teams, a Championship Pool for the top four teams in each pool and the Page playoffs. The bronze-medal game is removed from the schedule and third place is awarded to the team that loses the semifinal.
- 2019** A birthright rule is introduced, allowing a player who has moved away from their province or territory of birth to represent that province or territory as a bona fide resident instead of a free agent.
- 2021** Originally scheduled in Kelowna, B.C., the Brier is moved to Calgary as part of the closed-door "bubble" concept due to the Covid-19 pandemic.
- The field expands to 18 teams with the introduction of two new Wild Card teams. The new teams were added due to a number of provincial and territorial events being cancelled during the season, therefore denying many teams an opportunity of qualifying for the national championship. The schedule is offset with a three-team playoff with the first-place team advancing to the final.
- 2022** The 18-team field format continues due to ongoing Covid-19 restrictions. Instead of a Championship Pool, which had been used since the introduction of the two-pool format in 2015, six teams qualify for the playoffs culminating into a Page playoff final four.
- Team Brad Gushue, Wild Card 1, becomes the first team to win the Brier with a three-player rotation after vice-skip Mark Nichols tests positive for Covid-19 and cannot compete in the playoffs.
- At 15 years, 11 months and 13 days old, Newfoundland & Labrador alternate Nicholas Codner becomes the youngest person to compete at the Brier.
- 2023** Curling Canada announces it will keep the 18-team format at the Brier going forward beginning with the 2023 event.
- 2024** Two teams (in addition to Team Canada) qualify for the Brier at the end of the 2023 season as Wild Card teams. The third is determined after the completion of 2024 provincial and territorial playdowns. Starting in 2025, three teams qualify as Wild Card teams at the end of the previous season in addition to Team Canada.
